You need to be able to meet at least one output and one outcome for the theme you have selected AND provide evidence you have done this.

Developing your UKSPF project:

You need to apply as an organisation – the funding is not open to individuals

The Brentwood 23/24 UKSPF funding will provide between £5,000 - £10,000 of grant per project. You can, of course, increase the value of your project with other funding.

We will be offering support for anyone wanting help to complete the application form. This includes an independent review of your application that will give you feedback before you send it to the UKSPF grant panel.

Your application will be reviewed by a Grant Panel comprised of representatives from Brentwood Borough Council and external local stakeholders.

- For purchases of £2500-£24,999 you must have three quotes

Next Steps 1

- Brentwood Borough Council team will make the Brentwood UKSPF website live on the 27th February 2023.
- This will include links to the application form, guidance and information document, budget and timeline excel spreadsheet and a short video of the key points highlighted in this presentation.
- There will also be an FAQ sheet with links to key UKSPF documents.

Please email ukspf@brentwood.gov.uk with any queries, or call 01277 312500

- Work on your application and make sure you send in your draft (this is mandatory) for technical feedback – latest 20/3/23
- Send in your final submission 10/4/23 - 12.00 noon
- There will then be a two stage scoring process – firstly to make sure all UKSPF mandatory requirements have been met – i.e. the applicant is an organisation, that your application supports the intervention, it delivers outputs and outcomes and that you meet financial thresholds. All questions will then be scored and these will be taken to our UKSPF grant panel for review, discussion and awards.
- You will be notified of the outcome of your application on 22.5.23. Some successful applicants may be approved with conditions that must be met before funding is awarded.
- Grant funding agreements signed by 31.5.23 and delivery to start 1.6.23
