

AM Local Plan minus Base Wide Area

AM Local Plan minus Base Wilsons Corner

PM Local Plan minus Base Wide Area

This map illustrates a road network centered around a roundabout. The roads are color-coded, with darker green indicating higher traffic volume or more significant roads. Numerical labels are placed along the roads, likely representing traffic volume or road length. The map includes a scale bar in the top right corner and a north arrow.

Key Features:

- Central Roundabout:** A central roundabout with multiple lanes, showing a complex pattern of traffic flow.
- Radiating Roads:** Several roads radiate from the central roundabout, including a major road running north-south and another running east-west.
- Color-Coding:** Roads are color-coded in shades of green and yellow, indicating different levels of traffic volume or road type.
- Numerical Labels:** Numerous numerical labels are placed along the roads, likely representing traffic volume or road length.
- Scale and Orientation:** A scale bar is located in the top right corner, and a north arrow is positioned in the bottom right corner.
